### **BACKGROUND**

On March 26, 2011 the Historical Advisory Board and Planning Board held a special meeting to tour Alameda Point. The purpose was to review those structures and appurtenances that the HAB is considering to include on the City's Historic Structures Study List. The tour also gave opportunity to visit several buildings and to observe the state of structures on Alameda Point.

### **RECOMMENDATION**

This agenda item is intended to allow the board members an opportunity to discuss observations and thoughts.
